Payments are made through QuikPAY system.

Message Board
Welcome to the QuikPAY™ system. Through QuikPAY™, you are conveniently able to:

- manage your payment profiles
- authorize others to make payments on your behalf
- view your account status
- quickly make payments to your account
- and more - all online!

Please choose from the list of options located in the column to the left.

QuikPAY™ also offers context-sensitive help. Simply click on the question mark next to a field to get help. The University of North Texas accepts payment by credit card (Mastercard, Visa, American Express and Discover) and eCheck (automatic bank draft) through this website. All payments are immediately posted to the student account.

Students should return to their student account through my.unt.edu after completing payment to view their account summary and verify payment.

NOTE: Do not enter any commas or a dollar sign in the amount field when entering the amount to be paid.

Some financial institutions place daily limits on the amounts that can be used with debit cards. If you receive a "declined" message when using a debit card, you can either make a portion of the payment and return the next day to pay the remaining amount or you can pay by electronic check.

NOTE: You must select the installment plan option under "Make a Payment" at my.unt.edu in order to use the payment plan option for the Fall or Spring semester.

DO NOT SUBMIT YOUR PAYMENT MORE THAN ONCE. Multiple credit card transactions (10 or more) submitted within a term could result in the interruption of online payment options.

Please note: If you are making a payment from an USA bank account and/or payment card, please use the "Make a Payment" option in the green menu box above.

Additional training and help information is available online at my.unt.edu.

Eagle Express Tuition Plan

Participants in the Eagle Express Tuition Plan can lock in their tuition and fee costs for 4 years.

Includes a graduation incentive based on the number of hours you transfer to UNT and how soon you graduate.
Eagle Express Tuition Plan

Eligibility for the graduation incentive for students is based on the number of hours taken at UNT. The number of credits transferred to UNT determines the incentive amount and the required graduation timeframe. **Students with greater than 60 transfer hours will likely not be eligible for the graduation incentive and therefore should carefully consider if the Traditional Tuition plan is the best option for them.**
